

## New Zealand Medical Practitioners who served in World War One

*This list was compiled by Dr Pat Clarkson (Auckland Medical History Society) and Victoria Passau (Collection Manager, Online Cenotaph, Auckland War Memorial Museum).*

*Names were mainly ascertained from **the Online Cenotaph Database** at Auckland War Memorial Museum and from the list of doctors registered in New Zealand prior to 1931 recorded by **Dr Wright St Clair**. [www.amhs.co.nz/Publications](http://www.amhs.co.nz/Publications) Medical Practitioners were included if they were born in New Zealand or registered to practise in New Zealand **well** before 1914.*

*For more information or if you know of registered New Zealand Medical Practitioners not listed, please check the Auckland War Memorial Online Cenotaph to contribute details.*
