

**The Best Country to Give Birth?
Midwifery, Homebirth and the Politics of Maternity in Aotearoa New
Zealand, 1970–2022**

Linda Bryder

2023 Auckland University Press

'The timing is right for a hard and clear-eyed view of what has transpired. This book is essential reading for anyone who provided maternity care during this transition, and for anyone who cares about maternal and infant health.' — William Ferguson, *NZ Doctor*
